FOR IMMEDIATE RELEASE

The GOALS Center Adds Four Advisory Board Members

Morristown, NJ - Please join us in welcoming Mr. William F. Cave, Mrs. Suzanne Herrmann, Mrs. Nora McLaughlin and Dr. Laura Winters to our Advisory Board. These individuals are all committed to the GOALS mission of helping people in grief and they bring a wealth of varied experience to our young organization.

William “Billy” Cave serves as a Managing Principal at Reliance Trust Company and brings more than 40 years of experience in the financial services industry to the GOALS board. His experience includes stints at Lehman Brothers, The U.S. Banking Alliance and Warburg Paribas Becker and he will serve as a valuable liaison to the business community.

Suzanne Herrmann is a Morristown resident and has been involved in the social work arena for more than 40 years. Suzanne’s work experience includes time at Morristown Memorial Hospital, All Souls Hospital and the New Jersey Board of Social Work Examiners. For more than 20 years, Suzanne was the Executive Director of the Red Cross in Morris County. Suzanne currently has a private psychotherapy practice in Morristown and she is committed to expanding the mission of GOALS.

Nora McLaughlin has an MBA from the Stern School at NYU and has years of experience working as a consultant in the financial services industry. Nora was a consultant at both Prudential Securities and Smith Barney/Citigroup. Nora is an active member of her community and she and her husband are actively involved with Student Sponsor Partners – an organization in New York City that takes underprivileged students and places them in private high schools city-wide.

Dr. Laura Winters is a Professor of English and has taught literature, film and writing for more than 25 years the College of Saint Elizabeth in Morristown. Since 1991 she has also taught at the Casperson School of Graduate Studies at Drew University. Laura has given over 50 presentations on literature, film, grief, and loss and currently does work on grief with the New York City Fire Department. Laura has been an active volunteer in GOALS programming from its’ inception.
